Client Declaration

By signing this application form, I / We agree to the following:

1. If there are delays in the Registry responding to iInvest Securities' enquiry to confirm the details of the Holder's sell instruction, because the Holder has not provided the SRN or has provided an incorrect SRN, the Holder acknowledges that iInvest Securities is not liable for any delay in placing the Holder's order with the Wholesale Broker for entry into the market. Further, if there is a delay, the market price at the time the Holder's order is placed with iInvest Securities may differ from the actual sale price achieved by the Wholesale Broker. Any fee incurred on behalf of the Holder for the purpose of the Share Registry enquiry will be deducted from the sale proceeds.
2. The name and address on the Holder's registered holdings statement is the same as the name and address given to iInvest Securities for this service and this address must be within Australia.
3. No account will be opened by iInvest Securities.
4. Before giving these instructions to iInvest Securities the Holder has received the iInvest Securities Financial Services Guide.
5. The Holder instructs iInvest Securities to place a sell order on their behalf with the Wholesale Broker to be executed through the ASX or Chi-X; the details of which are specified in the Morrisons Client Application Form. Where a "limit price" has not been specified the sale will be placed "at market".
6. iInvest Securities will charge a brokerage fee for each confirmation of transaction issued via the Wholesale Broker. This fee is deducted automatically prior to the Wholesale Broker paying the net proceeds due for the sale of securities. The fee will be as specified by your iInvest Securities Advisor.

8. Holder acknowledges that there is no certainty that Holder's sell order will be accepted and that iInvest Securities will only place the order with the Wholesale Broker after iInvest Securities receives confirmation from the Registry that the details the Holder provides to us match the details the Registry has and that Holder has sufficient Sale Securities available to sell under the SRN provided to iInvest Securities.
9. Holder warrants that all information provided by Holder in requesting the "Sell Only" Service is complete and correct and not misleading in any way and that iInvest Securities may rely on that information until iInvest Securities receives written notice of any change stated by Holder.

Holder warrants that if the Sale Securities are owned by more than one person or entity, each such person or entity is jointly and severally liable in respect of these terms.
11. iInvest Securities will not be liable in contract, tort, fiduciary duty or otherwise for any loss of prospective profits, expenses or special or indirect or consequential damages (whether any of them are reasonably foreseeable or not) arising from use of the "Sell Only" service other than to the extent arising from the fraud, negligence or breach of these terms by iInvest Securities.
13. Holder acknowledges that iInvest Securities is not providing advice of any kind regarding the Sale Securities, including the price at which they should be sold.
14. Holder forever indemnifies iInvest Securities against any loss, damage, cost, expense, statutory or equitable compensation, liability, claim or cause of action arising out of or in any way connected, directly or indirectly, with either iInvest Securities undertaking your instructions or any breach of, or failure by Holder to comply with, Holders obligations under these terms.

I/We confirm that the information provided in the **Morrison's Client Application Form** provided by the Wholesale Broker is true and correct and will be used by iInvest Securities for the purpose of this Client Agreement.
